Topic: Resolution No. 2013/14-45 – Resolution of the Board of Education of the Riverside Unified School District for the Award of the “Security Upgrades, Group C” Project

Presented by: Jane Jumnongsilp, Fiscal Services Manager
Procurement and Accounts Payable

Responsible
Cabinet Member: Sandra L. Meekins, Interim Chief Business Official

Type of Item: Consent

Short Description: A resolution is requested to award the “Security Upgrades, Group C” project to Dalke and Sons Construction, Inc. through direct negotiation.

DESCRIPTION OF AGENDA ITEM:

For bidding purposes, the Security Upgrades project was divided up between three (3) groups, consisting of four (4) to five (5) schools each, Groups “A”, “B”, and “C”. Groups “A” and “B” received multiple bids, but Group “C” received no bids, despite the bid being advertised in the local newspaper, and twenty (20) contractors plus seven (7) “plan rooms” downloading the plans and bid packages.

Public Contract Code section 22038(c) states that if no bids were received through the formal bidding process, a school district is authorized to award a contract through direct negotiation, with no further action required. This provision is applicable because the Riverside Unified School District has opted into, and utilizes, the California Uniform Construction Cost Accounting Act (CUCCAA).

Negotiations were entered into with three (3) contractors who were familiar with and had expressed interest in the project, had the required bonding capacity, and were able to meet the quote deadline. They were required to include all documentation such as is included in a formal bid, such as bid security, subcontractor listings, previous experience, and signed affidavits.

The proposals were reviewed by an awarding committee consisting of Dr. Kirk Lewis, Hayley Calhoun, and Kevin Hauser. The proposal received from Dalke and Sons Construction, Inc. was the low proposal, and Dalke and Sons Construction, Inc. has performed numerous projects satisfactorily in the past for the district. The award committee recommended that they be awarded the contract.

FISCAL IMPACT: \$786,380.00

RECOMMENDATION: It is recommended that the Board of Education award the “Security Upgrades, Group C” contract to Dalke and Sons Construction, Inc. for a total amount of \$786,380.00.

Topic:	Single Plans for Student Achievement Updates

Type of Item:	Consent
Short Description:	California Education Code requires that schools receiving state or federal categorical funding develop an annual Single Plan for Student Achievement (SPSA).

DESCRIPTION OF AGENDA ITEM:

All elementary, middle and high schools in the Riverside Unified School District receive categorical funding and are required to have an annual Single Plan for Student Achievement (SPSA). The SPSA is a document that provides an overview of the instructional areas of focus, an analysis of current educational practice, SMART (Strategic, Measurable, Attainable, Results-oriented Time-bound) goals, action plans, and interventions. It also specifies how categorical funding such as state Economic Impact Aid and federal Title I funds will be used to supplement site instructional programs. These plans were approved by the Board of Education on March 3, 2014.

The California Department of Education (CDE) reviewed these plans as part of a regularly occurring Federal Program Monitoring (FPM) process. Four schools were reviewed for 2013-14: William Howard Taft and Fremont Elementary Schools; along with John W. North and Riverside Polytechnic High School. CDE identified several required changes in SPSAs for each of the sites, requiring re-approval by both local Site Councils, as well as the Board of Education. These changes will not result in any change to total funding, or any change in program offerings at the affected sites, and are limited to minor clarifications in plan actions and expenses, or clarifying the use of restricted carryover Economic Impact Aid (EIA) funds versus unrestricted Local Control Funding Formula (LCFF) funds.

FISCAL IMPACT: None

RECOMMENDATION: It is recommended that the Board approve the updated 2013-14 Single Plans for Student Achievement for William Howard Taft and Fremont Elementary Schools; along with John W. North High and Riverside Polytechnic High Schools.

Topic: Title I Schoolwide Plan Adoption

Presented by: Anu Menon, Director, Academic English Learners and Student Support

Cabinet Member: Hilma L. Griffin-Watson, Interim Assistant Superintendent, Instructional Services

Type of Item: Consent

Short Description: The No Child Left Behind Act requires Board approval of Title I Schoolwide Plans.

DESCRIPTION OF AGENDA ITEM:

The No Child Left Behind Act provides additional funding to districts and school sites through the Title I program, a program targeting the educational needs of low income students. There are two methods of delivery for Title I services: targeted assistance, and schoolwide programs. Targeted programs are limited in scope to a few identified students. However, schoolwide programs provide additional flexibility for sites to use the funds to improve the educational program for all students.

Riverside Unified School District is adding six schools to the Title I program in the 2014-15 school year: Louisa May Alcott, Benjamin Harrison, and George Washington Elementary Schools; Matthew Gage Middle School; Abraham Lincoln and Ramona High Schools. Of these six sites, four have elected to implement a schoolwide program in the upcoming year: Louisa May Alcott, Benjamin Harrison, and George Washington Elementary Schools; and Ramona High School. To implement a schoolwide program, sites must undertake an educational needs analysis, and develop a Title I schoolwide plan encompassing strategies to best meet the needs of all students at their sites. This plan is made in consultation with site parents and staff, and approved by the School Site Council. The final step for sites to adopt a Title I School-wide Program is Board of Education approval of the Schoolwide Plans.

FISCAL IMPACT: Existing Title I funds will be reallocated in the 2014-15 school year to include the six newly identified school sites.

RECOMMENDATION: It is recommended that the Board approve the Title I Schoolwide Plans for Louisa May Alcott, Benjamin Harrison, and George Washington Elementary Schools; and Ramona High School.

- Topic: Riverside Unified School District Representatives to California Interscholastic Federation Southern Section for 2014-15
- Presented by: Dr. William Ermert, Assistant Superintendent, Instructional Services
- Responsible Cabinet Member: Dr. William Ermert, Assistant Superintendent, Instructional Services
- Type of Item: Consent
- Short Description: It is recommended that the Board of Education designate the Superintendent, Deputy Superintendent, and Assistant Superintendent, from Riverside Unified School District to be representatives of the Riverside Unified School District to the California Interscholastic Federation (CIF) for the 2014-15 school year.

DESCRIPTION OF AGENDA ITEM:

California Interscholastic Federation (CIF) asks that each year, after action by the governing board, districts send the names of league representatives to the CIF section office. The presumption behind Education Code 3353 (a) (1) is that the representatives of boards are the only people who will be voting on issues, at the league and section level, that impact athletics.

If a governing board does not take appropriate action to designate representatives or this information is not given to section offices within the required time frame, CIF is required to suspend voting privileges (CIF Constitution, Article 2, Section 26, page 112) for the affected schools.

FISCAL IMPACT: None

RECOMMENDATION: Approval is required for the 2014-15 representatives to California Interscholastic Federation Southern Section.

**Board Meeting Agenda
June 17, 2014**

Topic: Ordinance No. 2013/14-01 – Ordinance of the Board of Education of the Riverside Unified School District, an Urgency Ordinance Levying Special Taxes to be Collected During Fiscal Year 2014-15 for the Payment of the Principal of and Interest on and Administrative Expenses with Respect to the Bonds of Community Facilities District No. 10 of Riverside Unified School District

Presented by: Hayley Calhoun, Director, Planning and Development

Responsible
Cabinet Member: Kirk Lewis, Ed.D., Assistant Superintendent, Operations

Type of Item: Consent

Short Description: The Board of Education must adopt an ordinance levying special taxes for the 2014-15 fiscal year on property within the Community Facilities District No. 10.

DESCRIPTION OF AGENDA ITEM:

The Board needs to adopt an ordinance rather than a resolution when new parcels have been added to the Community Facilities District (CFD) tax rolls or the tax rate levied on the CFD exceeds that previously levied by a prior ordinance. Because this ordinance is only being brought before the Board one time, it is considered to be an urgency ordinance. All of the requisite noticing requirements have been completed. The Board must adopt this ordinance for the fiscal year 2014-15 to pay debt service on the outstanding bonds and to pay the costs associated with the administration of the CFD.

The vote on Ordinance No. 2013/14-01 must be done by roll call.

FISCAL IMPACT: None

RECOMMENDATION: It is recommended that the Board of Education adopt Ordinance No. 2013/14-01.

ADDITIONAL MATERIAL: Ordinance No. 2013/14-01, and CFD map.

Attached: Yes

ORDINANCE NO. 2013/14-01

AN URGENCY ORDINANCE LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2014-15 FOR THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON AND ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BONDS OF COMMUNITY FACILITIES DISTRICT NO. 10 OF RIVERSIDE UNIFIED SCHOOL DISTRICT

THE BOARD OF EDUCATION OF RIVERSIDE UNIFIED SCHOOL DISTRICT DOES ORDAIN AS FOLLOWS:

Section 1. Findings. It is necessary that the Board of Education of Riverside Unified School District levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal of and interest on the outstanding bonds of Community Facilities District No. 10 of Riverside Unified School District, County of Riverside, State of California (the "District"), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such principal and interest.

Section 2. Levy of Special Taxes. Special taxes shall be and are hereby levied for the 2014-15 fiscal year on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit "A" attached hereto, and in the amount set forth for each such parcel in said Exhibit "A." Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

Section 3. Transmittal to County. The Clerk of the Board of Education shall immediately following adoption of this ordinance transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit "A" hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

Section 4. Authorization to Publish Ordinance. The President of the Board of Education shall sign this ordinance and the Clerk shall attest thereto and shall, within fifteen days of its adoption, cause it or a summary of it to be published in the Press Enterprise, a newspaper published and circulated in Riverside Unified School District.

Section 5. Urgency and Effective Date. This ordinance is an urgency ordinance relating to taxes for the usual and current expenses of the District, *i.e.*, the levy of special taxes to pay the principal of and interest on the outstanding bonds of the District. Accordingly, pursuant to Sections 36937 of the Government Code, this ordinance shall become effective immediately upon its adoption.

Review of Education Code, Policies, Procedures and Practices related to Student Discipline within the Riverside Unified School District

Presented by Tim Walker
Executive Director, Pupil Services/SELPA
and

- Esther Garcia; Principal, Liberty Elementary School
- Raul Ayala; Principal, Chemawa Middle School
- Darel Hansen; Principal, M.L. King H.S.

Suspension Definition

- EC 48900
- "Suspension" means removal of a pupil from ongoing instruction for adjustment purposes.
- A conference is held with any student to be suspended.
- The pupil shall be informed of the reason for the disciplinary action and the evidence against him or her, and shall be given the opportunity to present his or her version and evidence in his or her defense.
- Reasonable effort is made to contact parent
- Parent notified of suspension in writing
- "Day"= means a calendar day unless otherwise specifically provided

Disruption/Defiance

48900 (k)

- **48900(k)** Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.

Disproportionate Suspensions of Particular Subgroups of Pupils

- An EdSource analysis of the 30 largest districts found huge disparities in their reliance on willful defiance to suspend students, with some districts citing it as the reason for more than two-thirds of their suspensions, and others less than a third. Statewide, suspensions for willful defiance dropped from 48% of all suspensions in 2011-12 to 43% in 2012-13.

LAUSD Will No Longer Suspend Students for “willful defiance”. (EdSource) May 15, 2013

- <http://edsources.org/2013/lausd-schools-can-no-longer-suspend-students-for-willful-defiance/32152#.U34y0HJdWAg>

Los Angeles Unified is the first district in the state to stop suspending students for “willful defiance” – a subjective category that accounts for 54 percent of suspensions and a quarter of all expulsions across the state.

The school board voted 5-2 to ban suspensions for defiance following an impassioned discussion, according to the Los Angeles Times. The vote is a victory for civil rights groups and other activists who have been working to change the “zero tolerance” approach to discipline in favor of alternatives such as referring students to counseling or contacting parents to determine the root cause of the misbehavior.....

San Francisco Unified eliminates ‘willful defiance’ as a reason to expel or suspend students. EdSource Feb 26, 2014

- <http://edsource.org/2014/san-francisco-unified-eliminates-willful-defiance-as-a-reason-to-expel-or-suspend-students/58105#>
- Administrators in San Francisco Unified will no longer be able to use “willful defiance” as a reason to suspend or expel a student, beginning in the 2014-15 school year. San Francisco’s school board voted unanimously Tuesday to eliminate the controversial category, which has been used disproportionately to suspend African American students in that district and also statewide.

Alternate Means of Correction

- 48900.5 (a) Suspension, including supervised suspension as described in Section 48911.1, shall be imposed only when other means of correction fail to bring about proper conduct.
- (a) Suspension, including supervised suspension as described in Section 48911.1, ***shall be imposed only when other means of correction fail to bring about proper conduct.*** A school district may document the other means of correction used and place that documentation in the pupil's record, which may be accessed pursuant to Section 49069.

48900.5 continued

- However, a pupil, including an individual with exceptional needs, as defined in Section 56026, may be suspended, subject to Section 1415 of Title 20 of the United States Code, for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Section 48900 or that the pupil's presence causes a danger to persons.

(b) Other means of correction include, but are not limited to, the following:

- (1) A conference between school personnel, the pupil's parent or guardian, and the pupil.
- (2) Referrals to the school counselor, psychologist, social worker, child welfare attendance personnel, or other school support service personnel for case management and counseling.
- (3) Study teams, guidance teams, resource panel teams, or other intervention-related teams that assess the behavior, and develop and implement individualized plans to address the behavior in partnership with the pupil and his or her parents.
- (4) Referral for a comprehensive psychosocial or psycho-educational assessment, including for purposes of creating an individualized education program, or a plan adopted pursuant to Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 794(a)).

- (5) Enrollment in a program for teaching pro-social behavior or anger management.
- (6) Participation in a restorative justice program
- (7) A positive behavior support approach with tiered interventions that occur during the school day on campus.
- (8) After-school programs that address specific behavioral issues or expose pupils to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups.
- (9) Any of the alternatives described in Section 48900.6.

48900 (v)

- For a pupil subject to discipline under section 48900, a superintendent of the school district or principal may use his or her discretion to provide alternatives to suspension or expulsion that are age appropriate and designed to address and correct the pupil's specific misbehavior as specified in Section 48900.5.

Tardy/Truants 48900 (w)

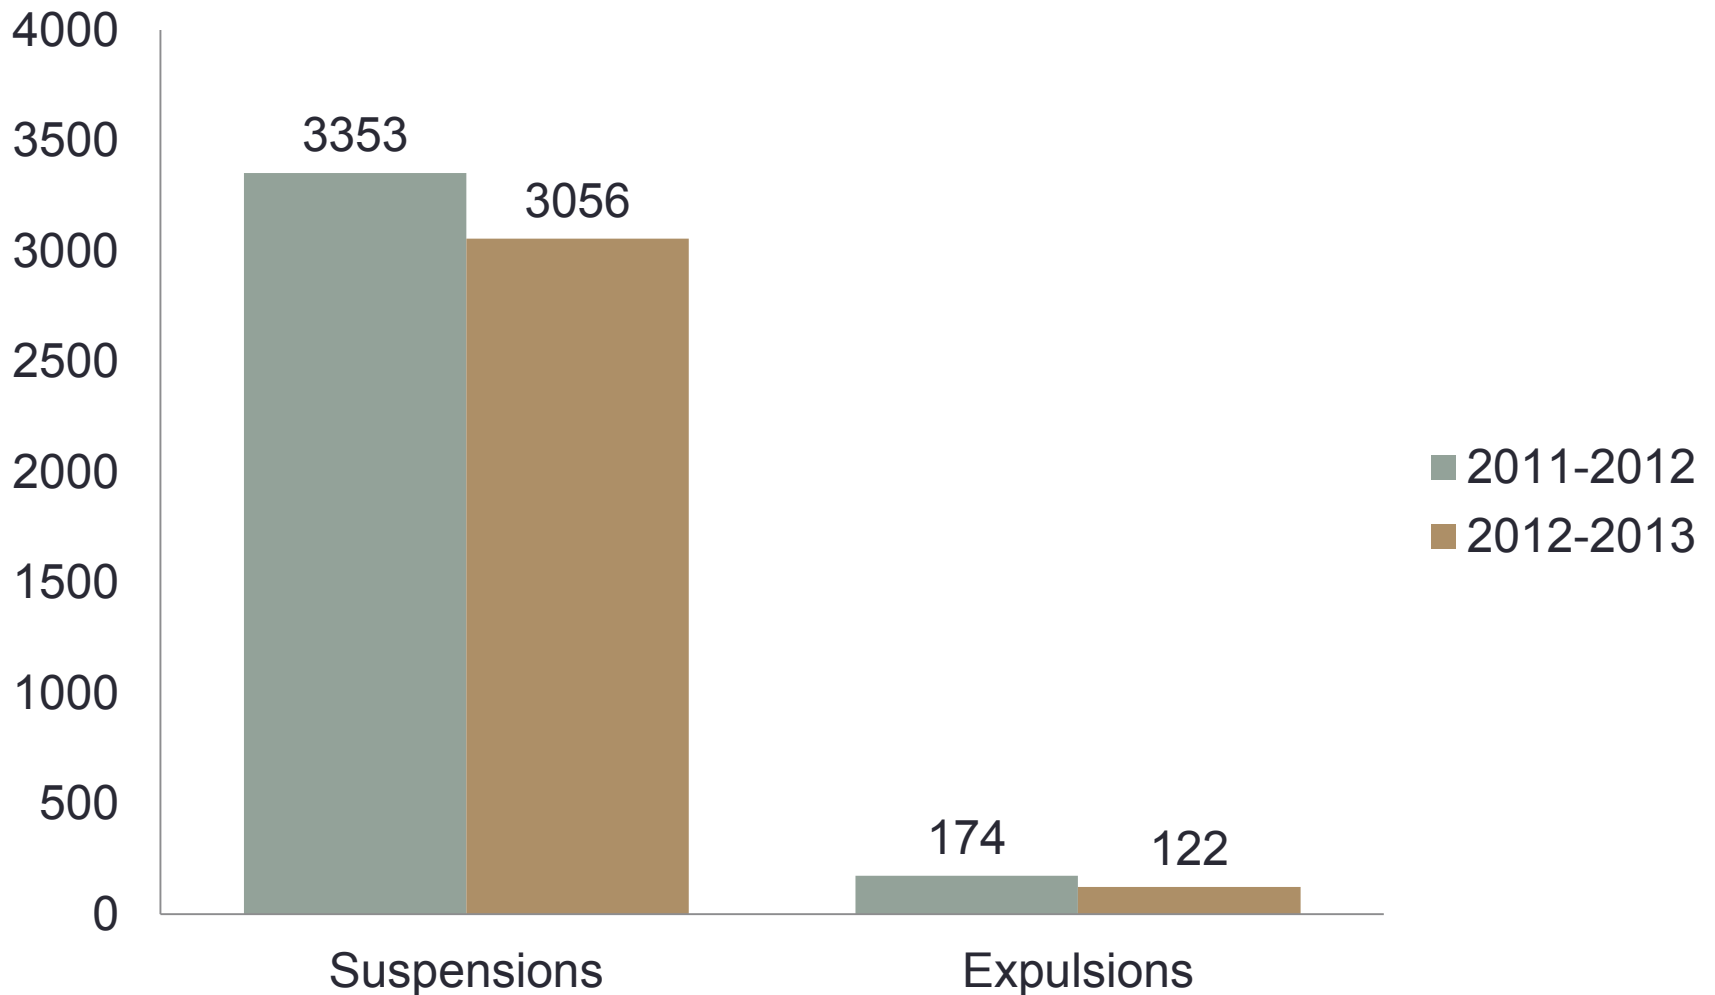

- It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities.

Topic: Adoption of the 2014-2015 Special Education Annual Service Plan

Presented by: Timothy R. Walker, Executive Director, Pupil Services/SELPA

Responsible

Cabinet Member: Timothy R. Walker, Executive Director, Pupil Services/SELPA

Type of Item: Action

Short Description: Special Education staff is recommending adoption of the 2014-2015 Special Education Annual Service Plan. The Service Plan describes the full continuum of special education services provided by the Riverside Unified Special Education Local Plan Area (SELPA).

DESCRIPTION OF AGENDA ITEM:

California Education Code §56205(b)(2) requires SELPAs to annually adopt a Special Education Service Plan. This document includes all of the State's definitions of possible special education services. An 'X' in the "Adopted" column indicates that this is a service which the SELPA has chosen to include in its list of possible services. An 'X' in the "Modified" column would indicate that the SELPA is utilizing a service for which they have modified the State's definition. An 'X' in the "Not Currently Utilized" column means that the SELPA was not providing that service to anyone as of December 1, 2013. Following adoption of these service descriptions, a report will be prepared for the California Department of Education. That report will show the extent to which each of these services was being provided as of December 1, 2013.

FISCAL IMPACT: None

RECOMMENDATION: It is recommended that the Board adopt the 2014-2015 Special Education Annual Service Plan.

**Board Meeting Agenda
June 17, 2014**

Topic: Adoption of the Local Control and Accountability Plan

Presented by: Michael H. Fine, Interim District Superintendent

Responsible

Cabinet Member: Michael H. Fine, Interim District Superintendent

Type of Item: Action

Short Description: The Board of Education will consider adoption of the first Local Control and Accountability Plan commencing July 1, 2014.

DESCRIPTION OF AGENDA ITEM:

Commencing July 1, 2013, the California school finance funding model has changed from its historical revenue limit and categorical program approach to a new system called the Local Control Funding Formula (LCFF). Staff reviewed this new model with the Board of Education on September 16, 2013. Along with the new funding system is a new accountability system which is designed to be broader and balanced between local and state priorities. The new accountability system is effective July 1, 2014. Staff reviewed with the Board of Education what was known about the Local Control and Accountability Plan (LCAP) and outlined briefly the process on October 7, 2013.

On November 18, 2013, the Board of Education approved the planning phase of a model process and resources necessary to reach out and garner quality and informative input from the District's broad stakeholder base as to their vision and priorities to carry out the mission of the Riverside Unified School District. Further, on December 20, 2013, the Board of Education approved the implementation phase of the LCAP development process.

The initial community outreach and engagement portion of the LCAP process was completed on February 24, 2014, after holding nine community forums and three focus group forums to garner insight and input on what stakeholders believe we should be doing to help all RUSD students to be successful. Roughly 1,400 comments were received verbally, through comment cards or on-line during the engagement phase. The District utilized the data analysis services of Special Services for Groups (SSG), a non-profit organization that supports organizations with data collection and analysis services. On March 25, 2014, SSG and District staff presented the results of the data collection and analysis from the stakeholder input in a presentation.

While significant, the stakeholder input is but just one source to help inform the development of the LCAP. The sources of input are:

- Existing Plans – fifteen existing plans in RUSD that cover a wide range of topics.
- Baseline Student Performance data – data for each of the metrics within the eight state priority areas provide the starting point in setting quantifiable targets to reach.
- Expert Panel Input – specific ideas from experts in the field on our three subgroups of disadvantaged youth.
- Stakeholder input

An initial draft LCAP plan was shared with the Board of Education during a Study Session on April 21, and a revised draft LCAP was shared at a Study Session on May 5. During the month of May staff has presented the draft LCAP to employee groups, parent advisory committees, community forums and via on-line posts to allow the community to react and generate comments and questions. Staff has reviewed the 90+ comments received and prepared responses.

Additional revisions to the draft LCAP have been made to make corrections and provide clarity in response to some comments. An updated Draft was reviewed with the Board of Education during a Study Session on May 28 to garner any additional comments and direction from the Board of Education ahead of the Public Hearing. A Public Hearing was held on June 2, 2014, where five speakers spoke about the LCAP.

FISCAL IMPACT: Actions and services totaling approximately \$33 million

RECOMMENDATION: It is recommended that the Board of Education approve the Local Control and Accountability Plan (LCAP) as presented.

ADDITIONAL MATERIAL: LCAP dated June 17, 2014

Attached: No. Provided under separate cover.

Topic: Adoption of the 2014-2015 District Budget

Presented by: Sandra L. Meekins, Interim Chief Business Official

Responsible
Cabinet Member: Michael H. Fine, Interim Superintendent

Type of Item: Action

Short Description: The initial 2014-2015 All Funds Budget for Riverside Unified School District has been prepared. State law requires the Board of Education to adopt a budget subsequent to the public hearing and prior to July 1.

DESCRIPTION OF AGENDA ITEM:

California Education Code Sections 42103 and 42127 require that, on or before July 1 of each year, the governing board of each school district shall 1) hold a public hearing on the budget to be adopted for the subsequent fiscal year, and 2) adopt a budget subsequent to the public hearing. Furthermore, the budget and supporting documentation must be available for public inspection at least three working days prior to the public hearing.

The initial 2014-2015 All Funds Budget for the Riverside Unified School District has been prepared. A summary of the proposed revenues, expenditures, transfers, and fund balances is attached. Staff will make a presentation on the budget at the June 17, 2014 Board of Education meeting.

The District is highly dependent on the budget of the State of California. At the time of the preparation of the District's budget, the State of California had not adopted a 2014-2015 budget. Therefore, some of the assumptions contained in the District's proposed budget may change. In accordance with the Education Code, the District will revise the adopted budget to reflect changes in projected income or expenditures within 45 days of the adoption of the State budget.

The Board's Finance Committee reviewed preliminary drafts of the 2014-2015 All Funds Budget on June 10, 2014.

FISCAL IMPACT: As disclosed on the detail budget forms.

RECOMMENDATION: It is recommended that the Board of Education adopt the 2014-2015 All Funds Budget as presented.

RUSD is a district of choice. Various programs such as STEM academy, Dual Language Immersion, and Core Knowledge contribute to improved attendance.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

4A. District's LCFF Revenue Standard

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

Has the District reached its LCFF target funding level?

No

If Yes, then COLA amount in Line 2b2 is used in Line 2e Total calculation.
If No, then Gap Funding in Line 2c is used in Line 2e Total calculation.

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: All data are extracted or calculated.

Fiscal Year	Estimated/Unaudited Actuals - Unrestricted (Resources 0000-1999)		Ratio of Unrestricted Salaries and Benefits to Total Unrestricted Expenditures

5C. Comparison of District Salaries and Benefits Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Projected ratio(s) of unrestricted salary and benefit costs to total unrestricted expenditures are outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard, a description of the methods and assumptions used in projecting salaries and benefits, and what changes, if any, will be made to bring the projected salary and benefit costs within the standard.

Explanation:
(required if NOT met)

Due to state flexibility and LCFF, the following programs were moved from restricted to unrestrict (Deferred Maintenance, Transportation, Deferred Maintenance, and Adult Education). This resulted in an increased base of non salary expenditures from Deferred Maintenance and Transportation costs therefore decreasing the salary to total expenditure ratio.

6. CRITERION: Other Revenues and Expenditures

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent.

For each major object category, changes that exceed the percentage change in population and the funded COLA plus or minus five percent must be explained.

S5B. Status of the District's Projected Contributions, Transfers, and Capital Projects

DATA ENTRY: Enter an explanation if Not Met for items 1a-1c or if Yes for item 1d.

1a. NOT MET - The projected contributions from the unrestricted general fund to restricted general fund programs have changed by more than the standard for one or more of the budget or subsequent two fiscal years. Identify restricted programs and amount of contribution for each program and whether contributions are ongoing or one-time in nature. Explain the district's plan, with timeframes, for reducing or eliminating the contribution.

Explanation:
(required if NOT met) Due to LCFF, there is no longer a revenue limit transfer to Special Ed. Instead, Special Ed is supported through a contribution from the unrestricted fund.

1b. NOT MET - The projected transfers in to the general fund have changed by more than the standard for one or more of the budget or subsequent two fiscal years. Identify the amount(s) transferred, by fund, and whether transfers are ongoing or one-time in nature. If ongoing, explain the district's plan, with timelines, for reducing or eliminating the transfers.

Explanation:
(required if NOT met) Transfers in reflects the reduction of ongoing contributions that were in place from Fund 11 and Fund 14 prior to LCFF.

1c. NOT MET - The projected transfers out of the general fund have changed by more than the standard for one or more of the budget or subsequent two fiscal years. Identify the amount(s) transferred, by fund, and whether transfers are ongoing or one-time in nature. If ongoing, explain the district's plan, with timeframes, for reducing or eliminating the transfers.

Explanation:
(required if NOT met)

Transfers out reflects added burden of debt service on the general fund of \$300K and contribution to Preschool Fund 12 for parent fees in the amount of \$136K.

1d. NO - There are no capital projects that may impact the general fund operational budget.

Project Information:

S6B. Comparison of the District's Annual Payments to Prior Year Annual Payment

DATA ENTRY: Enter an explanation if Yes.

- 1a. No - Annual payments for long-term commitments have not increased in one or more of the budget and two subsequent fiscal years.

Explanation:
(required if Yes
to increase in total
annual payments)

Principal and interest payments fluctuate slightly from year-to-year.

S6C. Identification of Decreases to Funding Sources Used to Pay Long-term Commitments

DATA ENTRY: Click the appropriate Yes or No button in item 1; if Yes, an explanation is required in item 2.

1. Will funding sources used to pay long-term commitments decrease or expire prior to the end of the commitment period, or are they one-time sources?

Yes

2. Yes - Funding sources will decrease or expire prior to the end of the commitment period, or one-time funding sources are being used for long-term commitment annual payments. Provide an explanation for how those funds will be replaced to continue annual debt service commitments.

Explanation:
(required if Yes)

Debt service has been partially supported by Fund 25. This source of debt service funds has become increasingly insufficient to support on-going debt service commitments related to Certificates of participation. The insufficient revenue is due to lower levels of developer mitigation fees. As such, there is an increase in the contribution to Debt Service by the general fund for the budget and/or out years.

S7. Unfunded Liabilities

Estimate the unfunded liability for postemployment benefits other than pensions (OPEB) based on an actuarial valuation, if required, or other method; identify or estimate the annual required contribution; and indicate how the obligation is funded (pay-as-you-go, amortized over a specific period, etc.).

Estimate the unfunded liability for self-insurance programs such as workers' compensation based on an actuarial valuation, if required, or other method; identify or estimate the required contribution; and indicate how the obligation is funded (level of risk retained, funding approach, etc.).

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.
