

What is PIQE?

PIQE's mission is to provide families with the knowledge and skills to partner with schools and communities to ensure their children achieve their full potential.

Evidence and Research Based Programs

Parent Engagement Program (K-12)

- The workshops last eight weeks (hybrid). Once a week.
- Sessions are 75 minutes long (mornings and afternoons).
- The program can have a maximum of 50 participants.
- A personalized program for elementary, middle and high school.
- It meets the goal of educating, empowering, and inspiring parents in:
 - Obtaining tools to navigate the school system
 - Improving academic performance
 - Developing healthy and productive relationships with parents and counselors
 - Preparing for post secondary education

Bridge to College

Provides families with resources and tools to support their children in their transition to college.

- A personalized program for high school.
- Four weeks of workshops (hybrid).
- Once a week, 75-minute sessions.
- The program can have a maximum of 50 participants
- Social-emotional development and the needs of a student as they transition to college life.
- College Campus Resources and how to navigate college experiences.
- Financial assistance and support services for students.

Program Schedule

Partnership with PIQE

- Next year's program begins in April
- PIQE offers between 5–8 sessions per year
- PIQE is offered through a rotation to all Title 1 middle schools
- The program is available at elementary schools according to availability and budget.
- Sessions are scheduled per trimester:
 - Fall (September to November)
 - Winter (January to March)
 - Spring (March to May)
