2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Alcott Elementary School serves approximately 670 students from transitional kindergarten through sixth grade and is one of 30 elementary schools in Riverside Unified School District. As a Title I school, nearly 60% of its student population are classified as English learners, foster youth, or eligible for free and reduced price meals. English learners account for 15% of which Spanish is the predominate language. There are 24 general education classes, 3 mild/moderate special day classes, 1 full-time Resource Program Specialist, 1 part-time RSP, 1 full-time Speech Language Pathologist, 1 part-time Speech Language Pathologist, 1 half-time SAP counselor, 1 half-time MTSS counselor, and 1 half-time School Psychologist.

Before and after school programs are offered through Champions, an accredited Advanced childcare program, and H.E.A.R.T.S. (Helping Elementary Achievers Reach The Stars) is an after school program through community partnerships to promote positive youth development.

Our schools expectations are the 4Be's (Be Respectful, Be Responsible, Be Safe, Be Ready to Learn), and our theme for this year is "We are PAWSitive CATS!". Exceptional learning and scholarly work is expected for every student, every day. Students will grow intellectually, socially, and emotionally. Staff embrace the whole child philosophy where each child comes to school practicing scholarly habits and learns in a safe environment. In preparing students for college, career and citizenship, staff engage, challenge, and nurture their growth with 21st Century skills for participation in the global community. Students will develop skills not only in reading, writing, and mathematics but also in science, engineering, and technology with enrichment in visual and performing arts. They will be prepared to think critically and communicate clearly through collaboration and will be supported with opportunities to be innovative and creative in their learning today so they are ready for the world of tomorrow.

Alcott's mission: We provide our scholars with a rigorous, enriching, and engaging learning environment that promotes life-long success.

Alcott's vision: Every Scholar will leave Alcott equipped and inspired to question and contribute to the changing world around them.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The table displays information collected in September and approved by the Riverside Unified School District Board of Education on 10/05/23 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

It was determined that each RUSD school had sufficient and good quality textbooks, instructional materials, or science lab equipment, where appropriate, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a 6-year cycle developed by the California Department of Education, making the textbooks used in the school the most currently available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

Riverside Unified School District adopts instructional materials on a regular schedule based on State adoptions. All students receive appropriate, up-to-date instructional materials for use in the classroom and at home. All materials currently in use have been selected by the staff with parent input, and approved by the Board of Education according to state adoption requirements. Teachers are provided training in the use of new materials.

Riverside Unified School District maintains both short and long term major maintenance plans for all schools. These plans are located at the District's Maintenance and Operations Office and are available for review.

Riverside Unified School District has instituted a formal school facility inspection system based on State of California School Facility Condition Criteria. The State criteria consist of 15 building components typically found in school facilities.

Riverside Unified School District has allocated funds for the sole purpose of school maintenance pursuant to Education Code sections 17002(d), 17014, 17032.5, 17070.75(a), and 17089(b).

Alcott has a full time custodial staff who along with other district personnel maintain the grounds and facilities.

Alcott's construction is complete. A new 10 classroom structure was added to the school site to include six (6) general education classrooms and four (4) kindergarten classrooms with restrooms. In addition, existing classroom wings were modernized to include, new interior and exterior paint, ceiling tile and t-bar, new lighting, new HVAC, casework, flooring and restroom ADA upgrades. 11 classroom portables were removed from the site allowing for new hard court play yard area, turf, landscape, irrigation throughout the campus, new gate, fencing and new domestic water, sewer, storm drain, and gas line for the new building were added.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Opportunities for parental involvement abound at Alcott Elementary School. Parents are encouraged to participate in Parent Leadership on School Site Council (SSC), English Learner Advisory Committee (ELAC), Alcott School Foundation (ASF), and PTA. There is an active WATCHDOG group made up primarily of fathers of Alcott Elementary School students. Parents are also encouraged to volunteer time for classrooms (with restrictions in compliance to health and safety for COVID).

During English Learner Advisory Committee (ELAC) meetings and community collaborations with administration, parents are provided with morning, after school, and evening meeting opportunities to receive information about school wide programs. All meetings are designed to keep parents informed about the standards-based curriculum implemented in classrooms and the enrichment opportunities that are provided for students by PTA and ASF. Parents are encouraged to contact the school office, PTA or ASF for more information.

2023-24 School Safety Plan

The School Site Council or the Site Safety Committee is responsible for the development and updating of the school's Comprehensive Safety Plan. A Site Comprehensive Safety Plan Checklist is provided by the Pupil Services Department to give guidance on what should be included in the School's Safety Plan. The Safety Plan is discussed with staff, evaluated, amended/reviewed/updated by January 31 of each year. The school's safety committee makes monthly safety inspections. A school Disaster Preparedness Plan that deals with a wide variety of emergency situations is incorporated into the School Safety Plan. Earthquakes, fire, lockdown, and active shooter/intruder drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; provisions of any schoolwide dress code including the definition of "gang related apparel"; safe movement of pupils, parents and school employees to and from school; strategies in maintaining a safe and orderly school environment; visitors on campus; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspensions, expulsion or mandatory expulsion and other school designated serious acts which would lead to suspension or expulsion, notification to teachers, anti-bullying policy, discrimination/harassment, and school discipline rules and procedures pursuant to EC 35291 and EC 35291.5. The school has a campus supervisor and has an assigned School Resource Officer (SRO).

Fiscal Year 2022-23 Types of Services Funded

Riverside Unified School District utilizes funds from Average Daily Attendance (ADA), the Local Control Funding Formula (LCFF) as well as State and Federal grants to provide services for students in alignment with the RUSD Local Control Accountability Plan, School Plans for Student Achievement, and the School Board's Ongoing Work Plan. Among these include support for English Learners, Foster and Homeless Youth, and Low-Income students. This also includes classroom instruction, after-school care and education, development and implementation of Multi-Tiered Systems of Support (MTSS), Career and Technical Education (CTE), Visual and Performing Arts (VAPA), Social-Emotional Wellness for students and staff, and ongoing district operations.

In addition to LCFF funding, the school participates in a schoolwide Title I program that provides supplemental services and instructional materials to support students with learning the state's challenging academic standards.

Professional Development

Alcott professional development was focused on instructional needs identified through a complete analysis of all grade level assessments given throughout the school years of 2019-2022. All certificated staff participated in professional development training during Wednesday afternoon faculty meetings. Classified staff is included in training as required throughout the year. Staff members participated in other activities sponsored by the school or district that were appropriate for their individual needs. Teachers are supported during the implementation of professional development by fellow colleagues, district staff developers, and administrative feedback and support. The major areas of professional development are listed below:

- Multi-Tiered System of Support (MTSS) & Response to Intervention (RtI)
- K-2 Institute, Advanced Phonics, System 44, READ 180, differentiation through small group intervention and acceleration
- Collaborative School Leadership Team (SLT)
- Cycle of Inquiry, academic rigor, and metacognition
- New District Writing curriculum and assessment.
- AVID Elementary to prepare students to be college and career ready. Select teachers will attend Summer Institute and AVID conferences when permitted. District AVID liaison provides training to faculty at staff meetings.
- MTSS Team to provide resources and support to identify students in need. Push in supports with 2 impact subs working with the students in ELA and Math.
- RACE strategy (Restate the Question, Answer the Question, Cite Evidence, Expand) used for writing across curricular areas was introduced in 19-20 and continues in 2023-2024.
- PBiS Team to be trained on inclusivity and school culture during the school year 2023-2024.
- Gifted and Talented Education (GATE) - Grades 2-6
- Eureka Math PD, continued support for extension
- K-2 Wonders training for new ELA curriculum implementation including WonderWorks.
- Software licenses: SmartyAnts, Discovery Education, BrainPop, and DreamBox. Lexia (district provided) starting October 2020, continued for 2023-2024.
- New teachers participate in Year 1 and Year 2 PGS program.
- Data Discussion meetings using roving substitute teachers to allow grade level teams to analyze assessment data and plan common instruction and assessments.
- Grade level release day for language arts and math to align standards and develop content knowledge.
- Use of the Cycle of Inquiry to analyze assessment data to guide instruction and create strategic intervention groups.
- Instructional Assistants attended specific Special Education training on non-student day and on site training.
- Office Support Staff and Custodial attended district's training and monthly meetings (i.e. Aeries, Health Assistant, Attendance Assistant, and Custodial Support)
