Monroe Elementary
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
	- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
	- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Vision: We envision a future where our students excel academically, socially, and emotionally in a culturally relevant environment that is supported by all community members.
Mission: Our mission is to empower and ensure student achievement and preparation for global competitiveness by fostering educational excellence, core values, and equal access to learning and well-being for all students and staff.

Monroe Elementary is an innovative school devoted to educational excellence, where students are inspired and challenged to reach their fullest potential. At Monroe Elementary, character development is as important as academic achievement as we integrate community values into daily instruction. Our rigorous curriculum and nurturing faculty place students at the center of learning so they are successful, both in the classroom, at home and throughout their elementary, middle and high school experience. Once a "Tiger" you never cease to roar!

At Monroe we believe personalized learning can enable every Monroe Scholar to be a self-directed individual where the world is their classroom. The guiding belief for personalized learning builds on our school vision and mission. At Monroe, instructional practices begin and end with individualized goals that are based on the Common Core State Standards. The intent behind our entire focus is to have students own and lead their learning. We work hard to develop our students as a group of socially engaged contributors who see themselves as pivotal members in their community. We have high expectations for all students and work closely to do "whatever it takes" to ensure they have access to rigorous standards-based curriculum. In addition, when students need additional support, our staff is equipped to provide them the tools they need to not only improve, but excel. We thrive with people whose love of learning and best customer service provides an example for students and community to emulate.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The table displays information collected in September and approved by the Riverside Unified School District Board of Education on 10/05/23 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

It was determined that each RUSD school had sufficient and good quality textbooks, instructional materials, or science lab equipment, where appropriate, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a 6-year cycle developed by the California Department of Education, making the textbooks used in the school the most currently available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

Riverside Unified School District adopts instructional materials on a regular schedule based on State adoptions. All students receive appropriate, up-to-date instructional materials for use in the classroom and at home. All materials currently in use have been selected by the staff with parent input, and approved by the Board of Education according to state adoption requirements. Teachers are provided training in the use of new materials.

School Facility Conditions and Planned Improvements

Lot Size: 10 Acres
Year Constructed: 1955
Last modernized: 1997
29 Permanent classrooms
4 Portable classrooms
Indoor lunch area for students to eat
Completely Air Conditioned

Riverside Unified School District maintains both short and long-term major maintenance plans for all schools. These plans are located at the District's Maintenance and Operations Office and are available for review.

Riverside Unified School District has instituted a formal school facility inspection system based on State of California School Facility Condition Criteria. The State criteria consist of 15 building components typically found in school facilities.

Riverside Unified School District has allocated funds for the sole purpose of school maintenance pursuant to Education Code sections 17002(d), 17014, 17032.5, 17070.75(a), and 17089(b).

Monroe has a full time custodial staff who along with other district personnel maintain the grounds and facilities.

Monroe's construction is complete. A new single-story classroom building with 5 kindergarten classrooms was installed. Modernization of existing buildings including fire alarm, HVAC, plumbing, roof, door hardware, paint, new carpet, casework, in addition to ADA improvements were completed. A new school frontage was provided and replacement of kindergarten equipment. Updates to irrigation and drainage systems were done. Site work includes new playground grass, new water, sewer, gas lines, new parking and bus drop-off and lunch shelter.

| B. Pupil Outcomes | **State Priority: Pupil Achievement** |

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to take an active role in their child's education through homework, class newsletters, attendance at parent meetings, parent workshops, and volunteering, whenever possible, in their child's classroom. Access to all information in Spanish is always provided.

We ask parents and guardians to please support us with the following:
* Please make sure your child comes to school everyday on time and ready to learn.
* Have students' materials ready to go at all times whenever they are studying and completing their homework.
* Ensure all homework & classwork that gets assigned is turned in on time.
* Find a place without distractions or outside noises if at all possible

We are blessed to have a robust new PTA team that encourages parents and community to join their efforts to provide our students and staff with resources and opportunities to participate in learning activities. In addition to PTA, there are other ways parents can participate:

Open House, Parent Conferences, Parent Meetings including School Site Council, PTA, SST's, English Learner Advisory Committee (ELAC), and Title I Parent Information Meetings, which occur throughout the school year. Parent training is specific to subject and grade level content and need. Training includes Kindergarten/First Grade Early Literacy, Language Arts and Math Standards, Technology lessons, Meeting Guidelines for Reclassification, Importance of Homework and Attendance, Transition to Kindergarten, Transition to Middle School, Technology Tools for Learning, and English Language Development. Information regarding how to participate in Parent Involvement activities can be obtained in the Monroe Elementary School Main Office. To learn more about parent involvement, please contact the school Principal, Mrs. Flores-Bertrand at 951-352-8241.

2023-24 School Safety Plan

The School Site Council or the Site Safety Committee is responsible for the development and updating of the school's Comprehensive Safety Plan. A Site Comprehensive Safety Plan Checklist is provided by the Pupil Services Department to give guidance on what should be included in the School's Safety Plan. The Safety Plan is discussed with staff, evaluated, amended/reviewed/updated by January 31 of each year. The school's safety committee makes monthly safety inspections. A school Disaster Preparedness Plan that deals with a wide variety of emergency situations is incorporated into the School Safety Plan. Earthquakes, fire, lockdown, and active shooter/intruder drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; provisions of any schoolwide dress code including the definition of "gang related apparel"; safe movement of pupils, parents and school employees to and from school; strategies in maintaining a safe and orderly school environment; visitors on campus; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspensions, expulsion or mandatory expulsion and other school designated serious acts which would lead to suspension or expulsion, notification to teachers, anti-bullying policy, discrimination/harassment, and school discipline rules and procedures pursuant to EC 35291 and EC 35291.5. The school has a campus supervisor and has an assigned School Resource Officer (SRO).

Fiscal Year 2022-23 Types of Services Funded

Riverside Unified School District utilizes funds from Average Daily Attendance (ADA), the Local Control Funding Formula (LCFF) as well as State and Federal grants to provide services for students in alignment with the RUSD Local Control Accountability Plan, School Plans for Student Achievement, and the School Board's Ongoing Work Plan. Among these include support for English Learners, Foster and Homeless Youth, and Low-Income students. This also includes classroom instruction, after-school care and education, development and implementation of Multi-Tiered Systems of Support (MTSS), Career and Technical Education (CTE), Visual and Performing Arts (VAPA), Social-Emotional Wellness for students and staff, and ongoing district operations.

In addition to LCFF funding, the school participates in a schoolwide Title I program that provides supplemental services and instructional materials to support students with learning the state's challenging academic standards.
