

## Data Confirmation – Parent Guide

---

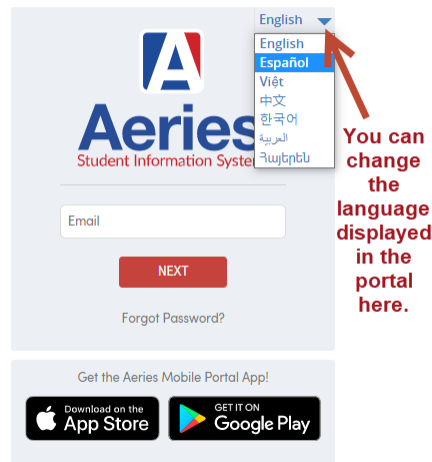

**Data Confirmation** is a feature of Aeries that allows parents to update student demographics, contacts, and authorization information. It also allows documents to be made available to parents for registration. This process handles the normal “**Summer Re-Registration**” of students where parents are normally required to fill out updated emergency cards, sign various documents, and establish authorizations.

### How to access Aeries Parent Portal

Click on or copy and paste the following Web URL: <https://aeriesportal.riversideunified.org/parent>

#### Riverside Unified School District

- Enter the email address that you initially provided to setup your Aeries Parent Portal account.
- Enter the password that was emailed to you during the initial setup of your Aeries Parent Portal account. If the password has changed since the original setup, enter the most recent password used.
- Once the email address, and password have been entered correctly, click on the SIGN IN button to logon to Aeries Parent Portal.
- If you forgot your password, click on Forgot Password? This will initiate the process to reset your password. You must have access to the email address that was used to initially setup the Aeries Parent Portal account in order to reset your password.

Once you're logged into **Aeries Parent Portal**, you should see a yellow banner stating, **"You have not yet completed the Student Data Confirmation Process."** Click on the **Click Here** link to go directly into **Data Confirmation**. If there is no yellow banner at the top (as shown below), you can find **Data Confirmation** under the **Student Info** menu.

**NOTE:** If you still do not see the option for **Data Confirmation**, you might be logged in as a student instead of a parent in the Aeries Portal. Please contact your student's school office for assistance.

To complete Data Confirmation, you will need to review and update tabs 1 – 8. You must click the **"Confirm and Continue"** button in order to save the information and move on to the next tab.
